Sir,

It is to inform you that the said matter was examined in 115th Meeting of SEIAA held on 06th & 07th August, 2024 and the following decision has been taken by SEIAA, Jharkhand in the instant matter :-

“The Project Proponent has applied for EC online under B2 category through PARIVESH portal on 04.02.2022 with all mandatory documents such as Form-1, Form-2, P.F.R., Mine Plan approved by Deputy Director Mines, Dumka, Certificate of Teritorial DFO, DFO Wildlife, CO Certificate, NOC Gram Sabha and Contiguous Certificate issued by DMO, Pakur issued vide his office memo no. 1790/M, dated 08.10.2021.

The proposal was appraised by then State Level Expert Appraisal Committee, Jharkhand in its 93rd meeting held on 18th February to 27th February, 2022 in the light of contiguous certificates issued by DMO, Pakur vide his memo no. 1790/M, dated 08.10.2021 wherein it has been stated that apart from applied project, 02 leases bearing areas, 4.63 Acre & 2.55 Acre are also existing within the periphery of 500 meter and total area within 500 meter is 10.04 Acre or 4.063 Ha, is less than 5 Ha. On the basis of this

certificate the project was appraised by then SEAC under B2 category and recommended for grant of Environmental Clearance.

On the basis of recommendations of then State Level Expert Appraisal Committee and cluster report of DMO, Pakur with other requisite documents, then SEIAA in its **94th** meeting held on **13th April to 15th April, 2022** decided to grant of Environmental Clearance to the said project under B2 category and accordingly Environmental Clearance letter was issued vide letter no. **EC/SEIAA/2021-22/2494/2021/19**, Ranchi, dated **16.04.2022**.

The DMO, Pakur vide memo no. **1106/M**, dated **19.07.2024** has stated that Environmental Clearance submitted by Project Proponent under B2 category cannot be accepted and informed the Project Proponent with copy to Member Secretary, State Level Environment Impact Assessment Authority stating that the said projects belongs to B1 category as the total cluster area is **30.74 Acre** or **12.44 Ha** and Project Proponent has procured Environmental Clearance under B2 category. DMO, Pakur has also directed the Project Proponent to obtain fresh Environmental Clearance under B1 category from SEIAA, Jharkhand.

In the light of DMO, Pakur memo no. **1106/M**, dated **19.07.2024** the Member Secretary, SEIAA vide letter no. **171**, dated **31.07.2024** issued show cause stating that under what circumstances the Project Proponent has applied for EC under B2 category?

The Project Proponent, **Shri Ashish Kumar Dutta** has submitted his clarifications vide letter dated **02.08.2024** in which he has submitted that the said lease area of **Baliapatra Stone Deposit of M/s Naviya Stone Works at Khata No. 8, Plot No. 390, 392, Khata No. 18, Plot No. 393(P), Khata No. 19, Plot No. 131 & Khata No. 20, Plot No. 136, 132, 388 at Village : Baliapatra, Thana : Maheshpur, Distt. : Pakur**, total area is **1.157 Ha**. On the basis of this, he has applied for Contiguous Report from DMO and applied for EC under B2 category. Now DMO, Pakur has directed Project Proponent to apply in SEIAA for EC under B1 category because of cluster area of his mining lease **30.74 Acre** or **12.44 Ha**.

From the above, it is clear that cluster area of said mining lease is **30.74 Acre** or **12.44 Ha** and this falls under B1 category. Hence, SEIAA unanimously decided that Environmental Clearance issued in favor of said project vide letter no. **EC/SEIAA/2021-22/2494/2021/19** dated **16.04.2022** is **withdrawn** with immediate effect. **Project Proponent is at liberty** to submit online application through PARIVESH portal under B1 category for getting Environmental Clearance under B1 category.

SEIAA has also decided to request to Deputy Commissioner, Pakur and Member Secretary, Jharkhand State Pollution Control Board to take appropriate action against the Project Proponent / earring official under the relevant Acts & Rules. The Deputy Commissioner / District Mining Officer, Pakur is also requested to keep the said lease on abeyance till the Project Proponent obtains the fresh EC under B1 category".

2. The decision taken by SEIAA is self-explanatory and in light of decision taken by SEIAA in its **115th** Meeting held on **06th & 07th August, 2024**, the Environmental Clearance issued vide letter no. **EC/SEIAA/2021-22/2494/2021/19**, Ranchi, dated **16.04.2022** to the **said stone mining project** is hereby **withdrawn** with **immediate effect**.

3. Project Proponent is at liberty to submit online application through PARIVESH portal under B1 category for getting Environmental Clearance under B1 category.
4. Deputy Commissioner, Pakur and Member Secretary, Jharkhand State Pollution Control Board to take appropriate action against the project proponent / earring official under the relevant Acts & Rules.

Sd/-
